In Our Prayers

Michael Brewer -(known to many in our congregation) Is requesting prayers for his mother, **Samantha Newton**, who has been diagnosed with early onset dementia, and her partner **Gil Murrell**, who has surgery in two weeks for colon cancer.

Troy & Larry Lovett -(brothers who are cousins of Carole Krebsbach) had a boating accident and Troy sustained a concussion; Larry is struggling with guilt over this. Troy sees a doctor in San Antonio this week.

Ilene McCool -(sister of Carole Krebsbach) is hospitalized in Austin after surgery for a possible bowel obstruction.

Bob Krebsbach -(brother of Mike) is in the hospital in Rapid City, SD. Doctors reattached the wires to his pacemaker and he is under strict supervision

Khloe Baker -She is home from UTMB Galveston. Thyroid issues have been preventing her from swallowing. She is waiting on biopsy results.

Linda Coleman -At her latest check-up, the doctor found a suspicious place on her breast and possibly the pancreas. She is following up with MD Anderson. Her husband **Sonnie** will also have procedures soon to address blood clots in his legs.

Larry Macomber -(former minister at Nichols St. church in Bay City) His latest cancer checkup showed that he is completely free of cancer.

David Wilson -(father of Misty Wilson and Mindy Skelton) has received a diagnosis of Vascular Dementia. He will be taking medication, retiring, and moving to Lake Jackson for family support.

Gary Hicks -His PET scan results were positive, showing no heart problems. He is very appreciative of the prayers.

Kathy Davis -She had five stents placed on Saturday and is resting at home.

Sandra Mullins -Her doctor is consulting with his team; they are leaning toward placing stents and valve replacement rather than open heart surgery.

Eric King-(co-worker of Meaghan Kresbsbach) contracted spinal Meningitis which damaged two vertebrae, requiring surgery. 1-2 month recovery.
